

June Bible Reading Challenge – John In June

For this challenge this month, it is 10 days of reading God’s word according to one of the two plans listed here. If you follow this plan, you can take 10 days or you can take longer. One goal is to read the entire book of John in the month of June. The other goal is to slowly immerse yourself in to daily Bible reading with 10 key passages from John. You can read the entire book of John or you can read about Jesus in John, the choice is yours. Both plans list specific days to read, but you can read it however you like.

If you only read half or even a quarter, that’s fine. There is no one that is going to make you sign a paper claiming you did this. This is simply a means to get you interested in reading the Bible.
