

July Bible Reading Challenge – Paul In July

For this challenge this month, it is 20 days of reading God’s word. This plan will focus on the letters of Paul and give you a look at several, but not all of them. You will read two days and take one day off in between. The plan does not include the first or last days of the month. Plan A is less aggressive with one chapter per day, and Plan B is more aggressive with 2 per day but each plan focuses on different letters. If you want to be an overachiever, read both A and B to get a more thorough look at the New Testament.
